MAKE YOUR DAY UNIQUE

AT EAST LONDON'S MOST DIVERSE AND DYNAMIC ARTS CENTRE

Our boutique spaces, bespoke wedding packages and professional services – from technical to catering – offer you the chance to create your perfect day and be married in a truly unique setting*.

Located in the heart of Shoreditch, Rich Mix was once a vast garment factory, now transformed into a vibrant multi-arts centre.

We are a working cinema, theatre, live music venue and creative hub where the citizens of east London and beyond can come together to experience and make world class art.

As a charity, all our wedding venue hire profits serve our core purpose: supporting new and emerging talent, our work with local communities and young people.

*Our Cinema Screens and The Stage are all fully licensed for weddings and can accommodate a range of ceremonies including civil marriages, multi-faith, inter-faith or Humanist ceremonies.
