# **ABOUT RICH MIX**

Rich Mix is a dynamic arts centre and creative hub in the heart of Shoreditch in east London. Launched in 2006, we connect some of the city's most adventurous and diverse audiences to a vital, exciting and ambitious programme of contemporary culture.

Our wide-ranging programme consists of around 400 events every year and includes live music, performance, dance, spoken word, theatre and exhibitions as well as new release studio and independent cinema across our three screens. Through our Creative Engagement programmes, we develop and facilitate the creative potential of young people and wideranging communities from across east London.

Our diversity extends beyond our daily programme of events. A Shoreditch landmark, our building provides a home for some of the city's most socially progressive and innovative creative businesses with more than 20 resident organisations employing more than 200 people.

We are a National Portfolio Organisation of Arts Council England, and its investment allows us to broaden the scope, scale and ambition as well as the diversity of our programme.

Our business model, which we are rebuilding, generates around 80% of our annual turnover through cinema ticket sales, space hire, tenancies to creative, and charitable organisations, and bar revenue.

In February 2022, we completed the first phase of our capital project plans, Reimagining Rich Mix, delivering a revitalised first floor which includes a new Cinema Bar, artist green room, exhibition space and Creative Engagement space. The second phase of the project, which looks to increase our accessibility and improve our welcome, is due to start in 2023.
