## ABOUT RICH MIX

Rich Mix is a dynamic arts centre and creative hub in the heart of Shoreditch in east London. Launched in 2006, we connect some of the city's most adventurous and diverse audiences to a vital, exciting, and ambitious programme of contemporary culture.

Our wide-ranging programme consists of around 400 events every year and includes live music, performance, dance, spoken word, theatre, and exhibitions as well as new release studio and independent cinema across our three screens. Through our learning and participation programmes, we develop and facilitate the creative potential of young people and wide-ranging communities from across east London.

Our diversity extends beyond our daily programme of events. A Shoreditch landmark, our building provides a home for some of the city's most socially progressive and innovative creative businesses with more than 20 resident organisations employing more than 200 people.

We are a National Portfolio Organisation of Arts Council England, and its investment allows us to broaden the scope, scale, and ambition as well as the diversity of our programme.

Prior to the COVID-19 pandemic we generated around 80% of our annual turnover through cinema ticket sales, space hire, tenancies to creative, and charitable organisations, and bar revenue. Rich Mix was successful in securing funding from Arts Council England's Emergency Fund and DCMS Cultural Recovery Funds to support its activities through the pandemic.

With the ending of restrictions on indoor activity, Rich Mix re-opened fully in January 2022 with the launch of our Live programme, Re-Rooted, a programme of music, spoken word, talks, visual art and more, running until end June 2022. New season planning is currently underway. A full Cinema programme of blockbusters, independent films and film festivals is running alongside a wide-ranging Creative Engagement programme.

We also completed the first phase of our capital project plans funded by the Mayor of London's Good Growth Fund. Our revitalised first floor includes a Cinema Bar, artist green room, exhibition space and Creative Engagement space which opened in February 2022.
